

FAD PAD COVID Guidelines:

To ensure the safety for all- these are the particular procedures we follow at the FAD PAD.

I will be wearing a mask during class and require all students to do so. When they are 6 feet apart or farther, they can take a break from wearing them. All students will have their own seat, glue stick, tape, pen, markers, pencil, scissors as well as an indoor and outdoor cubby. We all will wash hands and use hand sanitizer before and after all activities. All supplies touched by everyone will be sanitized throughout the day along with all surfaces, door handles, and the bathroom. I will do my best to make sure we all follow physical distancing. I will strictly enforce this at snack time. I will allow 1-4 students at a time into the actual studio. Most of the time we will be outside.

Drops off and pick up times. When you drop off your child, I will greet you at the driveway and gate area where you can say your hellos and goodbyes. I will be taking your child's temperature to make sure it is normal. You cannot enter the actual FAD PAD area. You may also drop your child off at the sidewalk and I will escort them to class. At pick up time I will escort all students to the sidewalk and to your car. You may block my drive way but no one else's please. I will be wearing a mask at these times and request that all adults do as well.

Here is the FAD PAD COVID -19 Release Form all families will sign which includes some guidelines for all to follow.
